

Are you not vaccinated or in possession of proof of recovery?

This is the procedure for testing for access to the Trade Fair Aalsmeer 2021.

1 Beforehand

- Register in advance at tradefairaalsmeer.com.

If you are not vaccinated or in possession of proof of recovery

- Take the test close to your place of residence or at the location of the Trade Fair at Royal FloraHolland.
- You should make a test appointment at testenvoortoeegang.nl.
- Take the test no more than 24 hours in advance.

2 The test

- Please bring along proof of identity and confirmation of the appointment.

3 The result

- You will receive the result within one hour.
- With a negative result, you will be able to create a coronavirus entry pass.
- At the event location at Royal FloraHolland Aalsmeer you will have the test result within 15 minutes.
- The result is valid for 24 hours.

4 Digital coronavirus entry pass

- Download the CoronaCheck app and enter the retrieval code of your test result.
- The app will create a QR code, which is your digital coronavirus entry pass.

5 Paper coronavirus entry pass

- If you don't have a smart-phone, you can create and print a coronavirus entry pass at coronacheck.nl.
- Printing at the event location is not possible.

6 Visit

Bring the following items with you to the event:

- digital/paper coronavirus entry pass
- proof of identity
- QR code in your registration confirmation e-mail.
